Reef Distillers was born out of a passion for artisan spirits made with locally sourced organic and pesticide free botanicals and ingredients. A true 'paddock to still' micro distillery experience using local suppliers, farmers and native flora to create unique products with the 'signature' of the Capricorn Coast region and the Great Barrier Reef.

Shane, our master distiller

OUR STORY

At Reef Distillers, we believe in the power of nature's bounty, the essence of coastal living, and the transformative magic of distillation. It is a place where passion, craftsmanship, and the allure of the coast converge. We carefully source the finest local botanicals, capturing the unique flavors and aromas of the Great Barrier Reef coastline, to create spirits that celebrate the rich tapestry of our surroundings.

Reef Distillers invites you to embark on a sensory voyage, where the symphony of flavors, the whisper of sea breeze, and the warmth of camaraderie intertwine to create memories that will endure.

OUR GOAL

- To become the Australian spirit of choice for island resorts, hotels and airlines miniature bottles and premium spirits.
- Creating premium artisan spirits with layers of native flavours that mirror the reef's breathtaking diversity and having fun in the process.
- Assisting in creating lasting memories for the visitor or guest long after departure. Reminding them of the essence of their experience captured through of their senses; smell, taste, sight and touch...

FUTURE OPPORTUNITIES

- Retail opportunities with gift pack ranges in 50ml and 200ml bottles to sell as souvenirs to guests, clients or visitors.
- Unique corporate gifts that can be personalised.
- 'Meet the Maker' tasting events that can be hosted at your venue or event.
- Signature 'White Label' branded spirits unique to your resort/hotel/airline.
